1. In a telephone call this morning, [REDACTED] of ORR reported an automobile accident in which he was involved, and which occurred at 8:00 A.M. today at the corner of Cathedral Avenue and 29th Street, N.W. [REDACTED] was proceeding slowly in an easterly direction on Cathedral Avenue and when he saw a bus slowly approaching the corner from the right of 29th Street, he applied his brakes in connection with a maneuver to give the bus more room. He stated that the asphalt there is very slippery, and that he skidded slightly and hit the bus. A policeman was present and made a record of the accident; there were no charges filed and it was agreed that no one was at fault. [REDACTED] stated that a woman on the bus claimed that she was knocked off her seat but that it is not known what, if any, action she will take in this regard.

2. [REDACTED] stated that he reported himself as an employee of the United States Government, that he has liability insurance and that he was accompanied by Lt. Colonel [REDACTED] of OPC, who reported himself merely as "Colonel".
